Dear Sir/Madam,

Subject: Update under Regulation 30 of the SEBI (LODR) Regulations – Technological Upgradation at Mansa Manufacturing Units

With reference to our earlier intimation dated April 01, 2026 given vide Letter No. RDL/002/2026-27, regarding technological upgradation at the laminate sheet manufacturing units located at Mansa, Gujarat, we would like to provide the following update:

The Company had earlier informed that the operations at the said units i.e. Jumbo size laminated sheet manufacturing unit as well as RHPL laminate sheet manufacturing unit at Mansa would remain temporarily shut down up to approximately April 20, 2026 for implementation of the new Thermic Fluid Heater system and related modifications.

In this regard, we would like to inform that, due to the requirement of carrying out certain additional civil work and other incidental works at the RHPL Laminate Sheets Manufacturing Unit, the regular operations of the RHPL Unit could not be commenced as scheduled. The timeline for commencement of the regular production at the said RHPL Unit is now further extended by another approximately 20 days.

However, we are pleased to inform that the Jumbo Size Laminated Sheet manufacturing unit has resumed operations.

It is further clarified that this temporary extension is limited to the operation at the RHPL Unit at Mansa, Gujarat, and the Company's other manufacturing units continue to operate normally without any interruption.

The Company is taking all necessary steps to complete the remaining work at the earliest and commence full operations.

This is for your information and record.

Thanking you,

Yours faithfully,
For Rushil Decor Limited

Hasmukh K. Modi
Company Secretary
